

Bishop Eustace Preparatory School Selects SirsiDynix Symphony SaaS

*Bishop Eustace Preparatory signs
long-term agreement with SirsiDynix*

LEHI, Utah (March 19, 2015)—Bishop Eustace Preparatory School has signed a seven-year agreement with SirsiDynix. The school's Lulli Library has selected the SirsiDynix's Small Library Package, which will give users a stable, next-generation library services platform through Symphony and the BLUEcloud LSP. Furthermore, staff will work directly with SirsiDynix consultants and trainers to ensure the utmost efficiency for Lulli Library and its academic community.

The SirsiDynix Small Library SaaS subscription will also provide Lulli Library with 99.95% uptime, advanced security, and automatic backups and upgrades. Bishop Eustace will experience a modern LSP through a variety of BLUEcloud products, such as BLUEcloud Cataloging.

Lulli Library administrator Denise Avellino said, "The Small Library Package meets our needs perfectly and is within our budget. Symphony's modern, intuitive interface means less training necessary for our staff, and easier, more fruitful catalog searches for our students. SirsiDynix is working hard not only to bring us a state-of-the-art ILS, but also to help us convert our collection from Dewey Decimal to Library of Congress. We could not tackle such a project without their expertise and service."

"We're proud to extend our services to Bishop Eustace Preparatory School," said Bill Davison, SirsiDynix CEO. "Lulli Library has a specific goal of meeting the unique needs of its students, faculty, and staff, and our software solutions and services will help it do just that. We look forward to building a relationship with the school and fostering a healthy learning environment for each of the library's users."

Bishop Eustace Preparatory School's Lulli Library has a total of 20,000 titles and is located in Pennsauken, New Jersey.
