

SirsiDynix Sees Robust Growth in 2019

February 5th, 2020, Lehi, UT— SirsiDynix is excited to announce that in 2019 nearly 100 libraries chose SirsiDynix as their new ILS provider. With its suite of BLUEcloud products and related services—SirsiDynix serves public, academic, K-12, and special libraries, worldwide. SirsiDynix is grateful to its library family for its support and is proud to serve such an important industry.

Welcome to All New Customers

SirsiDynix is happy to welcome each new customer to its growing family of libraries. Some of these include:

- **Barnsley Metropolitan Borough Council**
- **Broward County Library**
- **Council Bluffs Public Library**
- **Croydon Council**
- **Gibraltar Schools**
- **London Borough of Hounslow**
- **Leeds City Council, UK**
- **Palos Verdes Library District**
- **Rotherham Metropolitan Borough Council**
- **San Antonio Public Library**
- **Worcestershire County Council and the University of Worcester**
- *And many more!*

“It’s exciting to see so many new customers join SirsiDynix,” said Brad Whittle, VP of Global Sales. “One of the primary reasons libraries select SirsiDynix is our suite of BLUEcloud products. We continue to place emphasis on developing new and enhancing existing products to help libraries succeed. From new community engagement resources to native mobile apps, our mission is to provide the products and services that we know libraries need and expect.”

Committed to Continued Growth for 2020

SirsiDynix is committed to continued growth and improvement in 2020. Customers will see the release of new products and services and enhancements to existing products. “SirsiDynix is always honored when a new

library joins the family,” said CEO Bill Davison. “We warmly welcome all of our new customers. At SirsiDynix, we believe in the power of libraries and we are proud to support the mission and success of libraries and their communities. We are excited for the future of our company and look forward to continue working with so many amazing libraries worldwide.”

About SirsiDynix

SirsiDynix believes in the power that libraries have to transform and shape their communities. That power is what inspires them to connect people with knowledge at more than 23,000 libraries around the world. SirsiDynix technology combines relevant resources with the best library user experience. With its Best-of-Breed approach, SirsiDynix gives libraries the greatest and most expansive range of options for their software. Complemented by the most experienced training, consulting, and support staff in the industry, SirsiDynix helps libraries to reach their highest potential while serving their communities.
